MIW OIL AND AIR FILTERS - JAPANESE TECHNOLOGY

MIW has a large range of offroad applications for air and oil filters. For these high revving competition fourstroke machines it is vital they have the best filtration for oil and air. Because this has a direct impact on the performance of these machines.

USP'S OFFROAD AIR FILTERS

- High quality **double density foam**.
- **Protect** the engine from dirt and dust.
- Guarantee **optimal air flow**.
